Fax: 714-893-4682

Dear Mr. Reidel:

Re: Commercial Laboratory Suitability Status; MIL-STD-883; FSC 5962; VQC-14-028492; Tran ; CN: 043996

PhotoMetrics has demonstrated to the Defense Supply Center, Columbus (DSCC) compliance with MIL-STD-883, the test standard for integrated circuits. PhotoMetrics is granted Commercial Laboratory Suitability, effective Aug 26, 2014, for the facility, test method and condition shown on the enclosure. All testing must be performed in accordance with MIL-PRF-38535, MIL-STD-883 test methods, and internal Quality System Manual (QMS)-001-C.

Your laboratory is to maintain a record for all microcircuit testing and submit a summary annually to DLA Land and Maritime-VQC which will include the following as a minimum:

- a) Military Part Number
- b) Vendor Part Number
- c) Manufacturer/ Customer
- d) Lot Date Code
- e) Test Method(s) and Specified Conditions
- f) Date Test Completed
- g) Quantity Tested
- h) Quantity Accepted and Rejected When Evaluating Acceptability
- i) Summary of Internal Audit Results
- j) Master List of Controlled Documents, Including Revision Information

The standard retention reporting period is from 01 Jan through 31 Dec. Your report is then due by 01 March the following year.

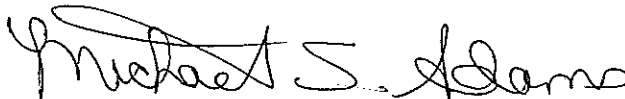

Test labs shall notify the qualifying activity immediately after learning of a potential issuance of a GIDEP alert, problem advisory or major quality/reliability problem on their military products utilizing the test methods on the attached enclosure. Failure to provide prior notification may be grounds for removal from DLA Land and Maritime's Commercial Lab Suitability Listing.

This Commercial Laboratory Suitability is subject to the policies, procedures, and conditions of the Defense Standardization Program, as published in the manual DoD 4120.24-M, SD-6, and Dec 2012 VQ booklet, DLA Land and Maritime-VQ Laboratory Suitability Information.

This Commercial Laboratory Suitability is valid until withdrawn by DLA Land and Maritime-VQC. Any deviation to the test method or condition(s) listed herein must be approved by the Qualifying Activity.

If you have any questions, please contact Mr. Tran at (614) 692-0606.

Sincerely,

A handwritten signature in black ink that reads "Michael S. Adams". The signature is written in a cursive style with a large initial "M" and a long horizontal stroke across the middle.

MICHAEL S. ADAMS
