Dear Mr. Reidel,

Re: Interim Laboratory Suitability Status, MIL-PRF-19500P, Amend 1, MIL-STD-750, FSC 5961; VQE-14-028440; CAGE Code: 0HYK4, Control Number 043770

This office has received your request for laboratory suitability to perform the MIL-STD-750 test method listed below. Based on submitted test procedure and data, and recent audit by DLA-VQC, your Huntington Beach, CA facility is considered suitably equipped to perform the following test per MIL-STD-750-2 effective August 14, 2014:

Test Method 2077.5 – Scanning Electronic Microscope (SEM) Inspection of Metallization

This is an interim approval which will be verified during your next facility audit. This suitability is valid until terminated by written notification from this Center. If warranted, laboratory suitability status may be withdrawn by this Center at any time.

If you have any questions, please contact Mr. DelloStritto at 614-692-0616.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ray Kolonchuk".
